Dear Families

Forthcoming Year 12 Educational Events

I am writing to inform you of some events that are taking place over the next few weeks in the Sixth Form, some of which are for our Year 12 students in order to fully prepare them for the UCAS application process and their transition into Year 13. They are the following:

Work Experience 3-7 June

Work experience week for all our Year 12 students.

UCAS Parents Evening 5 June 2019 6-7.30pm

All Year 12 students and their families are invited to attend. The evening will include information about different pathway options, how predicted grades are calculated, UCAS applications, Unifrog/Apprenticeships and August results day

Sixth Form Open Evening 20 June 6-8pm

Aimed at current Year 10 students applying to Sixth Form for the academic year 2020/21.

Sixth Form Induction Day 2 July 2019

Aimed at students who will be joining the Sixth Form in September 2019

Future Pathways Post 18 Days 15-17 July 2019

This is a compulsory programme for all our Year 12 students following their summer exams, and will run over the course of three consecutive days during school time. It will be dedicated to the university application process, coupled with wider workshops and input from industries in preparing Year 12 students for post 18 pathways.

Study Leave

Students will attend all lessons for subjects until they sit their exam in that subject. If they have an exam in the afternoon they are not required to attend the morning's lessons. They will need to sign in at reception. Lessons will re-start on Monday 10 June, where Year 12 students will be introduced to the A2 curriculum.

If you have any questions regarding any of the above events, please do not hesitate to contact the Sixth Form for further information.

Kind regards

Ms K Corrigall
Assistant Headteacher
