Dear Families

Year 7 Parent Consultation Evening: Science

We look forward to meeting with you at parents evening on Wednesday 24 April. Several of our science teachers are responsible for two or more Year 7 classes, so although they will endeavour to meet as many parents as they can in the time available, there is a possibility that you may not have the opportunity to have a face-to-face meeting on this occasion. Each Year 7 class has been allocated one of their science teachers to meet during the evening, as allocated below. Please ask your son/daughter to make appointments with their teachers as follows:

7A1 – Dr Hui
7A2 – Dr Hui
7A3 – Mr Evans
7A4 – Miss Fant
7B1 – Mr Giles
7B2 – Mrs Zebrowski
7B3 – Miss Metcalfe

If you are unable to meet a science teacher during the evening and would like to have a discussion, then your son/daughter's teacher will be happy to arrange a suitable time to call instead with feedback. Please let me know if this is the case and I can arrange this for you. I will be available during the evening if you have any queries.

My apologies in advance for any inconvenience this may cause you.

Yours faithfully
Ms Athwal
