22 March 2019

Dear Families

Year 9 Options

Thank you to those Year 9 students who have returned their completed options form by the deadline of 15 March. If you have not completed the form, please now return the form as a matter of urgency.

There will be an initial check of the options forms to ensure that the choices made for Key Stage 4 are appropriate. Some students may have a brief interview to discuss this.

In the absence of Ms Pollard, Head of Year 9 I will be meeting students next week whose forms:

- were completed incorrectly;
- had no reserve choice indicated;
- do not show the full EBacc when their prior attainment would suggest that this is the best pathway.

If any issues arise during this process I will contact families.

Yours faithfully

Mr P McGrath
Assistant Headteacher
