5 March 2018

Dear Families

Year 9 Booster and Meningitis vaccinations Friday 16 March 2018

The immunisation team will be in school to administer the Year 9 Booster for Polio, Diphtheria and Tetanus and Meningitis ACWY vaccinations on Friday 16 March.

The immunisation team have advised that students should wear a short sleeved shirt on the day. There should be no side effects from the vaccinations other than a slightly sore arm at the injection site. Please note that girls and boys will be vaccinated separately.

If you have not yet returned the consent form would you please ensure that this is returned by Friday 9 March? I have attached a copy of the form and the information booklet for your convenience.

Please do not hesitate to contact me if you have any questions or concerns.

Yours faithfully

Mrs S Baker
Welfare Officer
