Dear Families

### **Year 9 Girls HPV2 Vaccination**

The School Nursing Immunisation Team will be coming into school on **Friday May 17** to administer the second HPV [Human Papilloma Virus] vaccination to those girls who received their first vaccination last year.

You do not need to do anything further as the nurses have the consent form that you completed for the HPV1 last year.

For any families whose daughter did not take up the offer of the HPV vaccination last year but would now like to do so, please contact me directly and I will arrange this with the Immunisation team, and for the information pack and consent form to be given to your daughter to bring home for you to discuss together.

Please feel free to contact me if you have any questions, I will also be very happy to answer any questions that your daughter may have if she wishes to come and see me in Student Services.

Yours faithfully

Mrs S Baker  
Welfare Officer
