Dear Families

Year 9 Subject Consultation – Science Appointments

We look forward to meeting with you at the Year 9 Subject Consultation evening on Thursday 7 March. Each Year 9 science class has been allocated one teacher to meet during the evening. Teachers will confirm this with students so they can make an appointment. Please be aware that there will not have enough time in the evening for you to meet with all of your child's science teachers.

Several of our science teachers are responsible for two or more Year 9 classes, so although they will endeavour to meet as many parents as they can in the time available, there is a possibility that you may not have the opportunity to have a face-to-face meeting on this occasion. I will be present throughout the whole evening and available to talk with you or you can request that your child's teacher arrange a suitable time to telephone you for feedback.

Yours faithfully

Mrs R Foley
Curriculum Leader Science
