

Website Update Autumn 2015 – Spring 2016

2015-2016		
Funding Allocation	Amount	Impact
<p><u>Autumn 2015</u></p> <ul style="list-style-type: none"> Regular specialist support from qualified PE teachers (Sport Impact) working with The Blue School primary staff to achieve high quality teaching and learning in lessons. <p>(Focus has been, OAA; Outdoor Adventure Activity in Year 5 and gymnastics and OAA in Year 6).</p> <ul style="list-style-type: none"> Teachers worked with Sport Impact staff to deliver quality assured teaching modules, utilising age appropriate materials for PE & Sport. CPD opportunities have been offered for teachers in national and bespoke programmes in PE and Sport. Cover has been provided to release the PE Co-ordinator for professional development training in PE and sport, including attending an annual PE forum. Participation in inter school tag-rugby competitions have been organised by the sports impact so far this year, which provided pupils with the opportunity to compete against other schools and the opportunity to be part of breaking a record. <p>Transport to and from the venue had been arranged.</p> <p><u>Spring 2016</u></p> <ul style="list-style-type: none"> All children in year 1 are receiving a weekly session of tennis coaching delivered by Dukes Meadow tennis coaches. Children have been taught the fundamental skills of tennis, also skills such as balance and coordination. lessons. Children will be taught the fundamentals of balance and coordination as 	<p>Part of the 70% allocation</p> <p>£6475</p>	<p>This led to improved teacher expertise in targeted year groups, improved quality of provision and a high quality of learning and improved pupil skills</p> <p>The children received quality, specialist OAA teaching. The children's orienteering skills have improved significantly as have their sense of direction and ability to work as part of a team. The planning is exceptional and a higher standard and the teachers feel far more confident and prepared to deliver high quality lessons. This has also increased participation and enjoyment amongst boys.</p> <p>This has increased sports participation, enabled children the opportunity to compete against other schools and play the sport for a purpose. Children had the chance to consolidate their skills that have been taught and they had learnt at school. It also promoted a healthy lifestyle, improved their coordination, fitness levels and helped them to become team players and teach them good sportsmanship. This also increased interest in the current Rugby World Cup.</p> <p>This will lead to improved teacher expertise in targeted year groups, improved quality of provision and a high quality of learning and improve</p>

well as improve their fitness levels.

- 11 children from Year 5/6 participated in an indoor athletics competition against a cluster of other schools in the borough. The children competed in a range of track and field events.
- 9 girls in Year 5/6 are entering a football tournament against other schools. The girls will compete at a high level and learn the fundamental skills involved in football.
- 7 girls from Year 5/6 will be representing the school in a cluster netball tournament. There will be a preliminary round of matches to decide who goes through to the borough finals.
- 10 children from Year 2 will be representing the school in an indoor sports day. They will be competing against 46 other schools in the borough.
- Specialist PE training, subject leader forum

Summer 2016

- 10 children from Year 4 represented the school in an indoor sports day. They will be competing against 46 other schools in the borough.
- A PE specialist is working with Reception class children delivering a series of high quality fundamental ball skills and movement skills which improve their fitness levels.
- 10 children in year 5/6 participated in an outdoor athletics competition (Quadkids) The Blue School progressed to the borough finals.

pupil skills.

This enabled children to participate and compete against other schools. Children tried activities they have never done before. This improved their coordination and skills in particular events and demonstrated to children how skills can be transferable.

Girls have never played football before at competition level and for some it is their first experience of competing against other schools. This has not only taught them the rules and skills involved in the game but the importance of team work and sportsmanship.

This type of event will introduce children in Year 2 to competitive sport especially outside of school. They will also have the opportunity to develop and improve their athletics skills. This will also improve their self-esteem and teamwork.

Updated PE specialist on new initiatives and government spending

This type of event will introduce children in Year 2 to competitive sport especially outside of school. They will also have the opportunity to develop and improve their athletics skills. This will also improve their self-esteem and teamwork.

This will lead to improved teacher expertise in targeted year groups, improved quality of provision and a high quality of learning and improve pupil skills.

<p>Year 3/4 team will also represent the school in the summer term</p> <ul style="list-style-type: none"> • 10 children from year 3/4 will represent The Blue School at the borough Tennis Festival, following on from the coaching we received in the Autumn Term. • PE Specialist to work with Year 6 with an emphasis on team games and team building 		<p>Children will be encouraged to play more tennis, they have learnt the rules and have increased sport participation.</p>
<p>Autumn 2015</p> <ul style="list-style-type: none"> • Cover will be provided for the coordinator to write reports, update the school website, analyse club participation and write termly newsletters. • Two year 5 boys have set up and organised an intra-tag-rugby tournament in the junior classes. This has been held during their lunchtime. • Free places have been offered to 'pupil premium' children and children with additional needs to take part in extra-curricular clubs such as, dance, football, tennis and gymnastics. • A wide variety of extra-curricular after-school clubs were offered to all children in years 1 - 6 during the autumn term. (See <i>Curriculum / After-school Clubs</i> for further details). The cost of clubs has remained very affordable to allow greater accessibility; consequently, the school are subsidising additional costs to coaches. 	<p>Part of the 30% allocation</p> <p>£2775</p> <p>£200</p> <p>£3,013</p>	<p>This informs parents, governors and the community of updated sporting information. It shows outsiders what the funding has been spent on and the impact it has had on children and the school. Tracking children's participation in extra-curricular activities ensured these clubs were accessible to all and specific children were targeted; which encouraged a healthy lifestyle and increased particular individual's physical activity.</p> <p>All children in years 1-6 were able to extend their learning and PE skills outside the curriculum. Children are more active and are spending more time partaking in physical activity.</p> <p>Children have become more active during their day and their friendship groups have grown.</p>

<ul style="list-style-type: none"> Children's playground equipment and PE stock has been replenished with new equipment for the autumn term. 	<p>£550</p>	
<p><u>Spring 2016</u></p>		
<ul style="list-style-type: none"> Children are offered a wide variety of extra-curricular after-school clubs in years 1 - 6 during the spring term. Cricket has been introduced this term. (see <i>Curriculum/After-school Clubs</i> for further details) The cost of clubs continues to remain affordable to allow accessibility to all. The school continue to subsidise additional costs to coaches. 	<p>£3,013</p>	<p>Children's fitness levels improve as does their love for sport. Coordination and teamwork are also enhanced. Children learn more specific skills that are transferable.</p>
<ul style="list-style-type: none"> Children's playground equipment and PE stock has been replenished with new equipment for the spring term. 		<p>Children are more active during playtimes. They learn new games and have the opportunity to play with children they don't normally choose.</p>
<ul style="list-style-type: none"> Two coaches have provided daily football coaching to the Year 5/6 girls football team during lunchtime. 	<p>£500</p>	<p>Girls are prepared for their competition. They have learnt new skills, the rules of the game and the importance of teamwork.</p>
<ul style="list-style-type: none"> Teacher attended a DANCE course - CPD 		
<ul style="list-style-type: none"> 10 children participated in a netball competition in the borough 	<p>£70</p>	<p>Improved and updated teachers skills and knowledge in teaching dance</p>
<p><u>Summer 2016</u></p>		
<ul style="list-style-type: none"> Children are offered a wide variety of extra-curricular after-school clubs in years 1 - 6 during the spring term. Cricket has been introduced this term. (see <i>Curriculum/After-school Clubs</i> for further details) The cost of clubs continues to remain affordable to allow accessibility to all. The school continue to subsidise additional costs to coaches. 	<p>£50</p>	<p>Children qualified to the finals, increased participation and achieved level 2 sports.</p>
<ul style="list-style-type: none"> Children's playground equipment and PE stock 	<p>£3,013</p>	<p>Children's fitness levels improve as</p>

<p>has been replenished with new equipment for the spring term.</p> <ul style="list-style-type: none"> All children in both key stages participate in an intra-sports day. 	<p>£500</p> <p>£100</p>	<p>does their love for sport. Coordination and teamwork are also enhanced. Children learn more specific skills that are transferable. Introduction into competitive sport and leadership opportunities for Key Stage 2</p>
---	-------------------------	--
