

4th October 2019

Black History Month - Year 4, 5 and 6

Dear Parents/Carers,

October marks Black History Month. During the week beginning Monday 14th October, The Blue School will be celebrating this special event. We have arranged African Drumming workshops for Year 4, 5 & 6. In addition, we have arranged a storytelling workshop 'Herstory', that looks at the struggles and achievements of historic and contemporary black people from the past 250 years. Through focusing on lesser-known figures, students will learn how the actions of these people have shaped our history.

We please ask that you pay £2.20 for the Drumming and £2.50 for the storytelling workshop, which will go towards the cost. Payment for this can be done online via [ParentPay](#). by Friday 18th October.

Kind regards,

Miss Callender
