FAMILY LEARNING MORNINGS FOR YEAR 7 PARENTS

Thursday 12 & Friday 13 October

School has changed a great deal in the last few years, and while primary schools are often good at involving parents, secondary schools are often not. We would therefore like to offer you an opportunity to see first-hand how your child learns in school, giving you the opportunity to experience three mini lessons with them, and to get a feel for the types of learning activities your son or daughter is enjoying at their school. We think parents and carers might find it helpful in supporting their child's progress, and fun as well.

A variety of subjects will be included in the mini-lessons. Places are limited, and will be allocated on a "first come first served" basis.

If you would like to attend one of the mornings, please complete the slip attached to the letter emailed recently or contact Mrs Loosley on loosleyk@thurstable.essex.sch.uk for more information.
