Dear Parents / Carers

General Data Protection Regulation (GDPR)

In common with most organisations, we have spent the last few months engaged in a programme of reviewing our internal processes and policies to ensure compliance with the General Data Protection Regulation (GDPR) which comes into force on the 25th May 2018.

As part of our compliance programme, we have updated all of our Privacy Notices (formerly known as Fair Processing Notices) which will be available for you to view on our website from the 25th May 2018.

These notices will give detailed information about what personal data we process, why we process it, how we keep it secure and how we will respond to data subject rights.

Should you require any further information about our compliance programme, or have any questions about GDPR, then please don't hesitate to contact me.

Yours sincerely

Senior Assistant Head & Data Protection Officer
