22 January 2018

Dear Parent/Carer

Whole School Curriculum Day Thursday 8 March 2018 Year 8: Financial Education

As part of the next Whole School Curriculum Day, Year 8 students will be taking part in an activity on **Thursday 8 March**. On this day the normal timetable will be suspended to allow students the opportunity to explore and deepen their learning in a particular aspect of the curriculum.

Financial Education: Money Twist KS3

Highly interactive sessions building young people's knowledge around basic finance and helping them engage with money:

- **My Money:** History and functions of money, security features of notes, currency and exchange rates
- **My Choices:** Budgeting, youth employment, minimum wage, needs and wants, shopping deals, risk and saving
- **My Future:** Interest, current and savings accounts, ethical banking, flow of money, consumer choice and future of money

It will involve writing, presenting, drawing, maths and problem solving. We will use real life case studies, colourful resources, games and videos and popular culture, enabling students to explore and form their own opinions regarding their relationship with money.

Students should arrive in school as normal for an 8:30am start. They will register in their form groups in their tutor rooms.

The Windmill Cafe will be open as usual for break and lunch and the day will finish at 15:25pm as normal.

Students are required to wear their normal school uniform and should have with them their usual equipment (i.e. pencil case).

We look forward to a fantastic day.

Yours faithfully

Mr F Otermin
Academic & Pastoral Leader Year 8
