## Parental Controls and Devices Evening

Dear Parent/Carer

As part of the South Kingston Cluster collaboration, associated schools in the area will be hosting a series of information evenings over the course of the academic year to aid all parents/carers in enabling children to navigate the world of online media.

The first of these information evenings will be on 'Parental Controls and Devices' and will tackle the legal and social issues associated with mobile devices as well as the rights and responsibilities of parents and carers.

The event will take place at Tolworth Girls' School & Sixth Form on Monday 17 September from 6:00pm to 7:00pm and will be hosted by four of our Year 11 prefects and associated staff. Parents/carers may enter the school through the car park entrance which brings you straight to the main hall where the event will take place. Visitors are free to use the parking facilities; however, these may be limited.

Please feel free to contact me should you have any queries and we look forward to hosting you on the evening.

Your faithfully

Mr M Mirshemirani  
Senior Assistant Head  
Head of Key Stage 3
