Dear Parent/Carer

The Revise Edexcel GCSE (9-1) Mathematics Practice Papers Booklet

As your daughter nears the completion of the GCSE syllabus in Mathematics it is vital that they use past papers to revise effectively for their final exam.

The Revise Edexcel GCSE (9-1) Mathematics practice papers booklet contains two complete sets of practice exam papers, with full worked solutions and hints and notes on the marks allocated directly alongside the relevant steps of the solution. So your child can make sense of them which will build their confidence. Each topic information is matched to exam specifications to be used for independent study and is the smart choice for all students studying for their GCSE exams.

The practice paper booklet delivers great value (**half the recommended retail price**) when bought through the school. The booklet is designed to survive the rigours of the classroom and home; all the papers are bound into a durable book. The accessible write-in format allows students to take an active role in their revision.

Kindly contact the school Finance Office, should you require an activation code for ParentPay.

The deadline to purchase these textbooks on ParentPay is **9 February 2018**.

If you have, any queries please do not hesitate to contact me by email malik.abu@tolworthgirlsschool.co.uk and I will endeavour to respond as soon as possible.

Course	Book	Price
Edexcel GCSE(9-1)	Revise Edexcel Mathematics Practice Papers Plus Foundation ISBN 9781292096308	RRP £5.99 School price £3.00
