Dear Parent/Carer

Welcome: New Science Teachers

We are really excited to welcome Mrs Haworth and Mr Tait to Tolworth Girls' School & Sixth Form.

Mrs Haworth joins us as an experienced teacher of Biology. Originally from South Africa, Mrs Haworth has studied Biology for ten years and has a Masters in Biological Sciences. Mrs Haworth has taught students right through from Year 7 to Year 13 and had extensive experience in teaching students with Special Educational Needs. Her skills and experience will be an asset to the Biology department.

Mr Tait joins us an experienced teacher of Physics. Having worked at several prestigious schools in the UK during his career and taking on multiple pastoral roles, we are excited to have him join the Science Team at Tolworth Girls' School & Sixth Form. Mr Tait has taught Physics right through from Year 7 to Year 13 and we know that he will be a great addition to the Physics department.

If you have any questions regarding your daughter's Science learning experience, please do not hesitate to contact me.

Yours faithfully

Eleanor Parker
