Dear Parent/Carer

## Grand Opening of our New Buildings

We intend to officially open the new buildings on **Friday 2 November** and are delighted that Isabel Garvey, the Managing Director of Abbey Road Studios is joining us to officiate at this event. We have also invited members of our local community, Governors, nominated students as well as former members of staff. It will be a very busy occasion and one that we are really keen to celebrate.

There will be numerous people in school on the day of the opening and we have decided to close the school to all students. However, a great number of our students will be involved and present in school on that day; invitations to these students have already been sent.

We would like to invite all parents/carers and students to tour the school on the morning of Friday 2 November between 9:30am and 11:00am where tea/coffee and cake will be available to 'toast' the new building. If you wish to attend you will need to bring the slip below with you and present it at the door.

We are absolutely delighted with the new facilities that we have at Tolworth Girls' School & Sixth Form and know that our students are thrilled to have access to 21<sup>st</sup> century equipment and learning areas.

Yours faithfully
