20 March 2018

Dear Parents/Carers

## Year 10 Examinations - Monday 23 April - Friday 4 May 2018

Year 10 examinations start a week after the Easter holidays. These exams will be run in the same venues as the GCSE exams so will be very good practice for students. In addition, they will provide students with detailed information about their current strengths and weaknesses.

Timetables were handed out to students last week and subject teachers will be using Show My Homework to explain what each paper covers and to give suggestions as to how students should revise.

During the exam period, the majority of students will be given study leave. This means that they only need to come into school for exams and can otherwise study at home. We have, however, identified that some students work most effectively when supervised in school. These students will not get study leave and will work in school when not in exams. We will let you know if this affects your daughter.

During the exam period students will need to sign in and out of school. They must be in full school uniform.

If you have any questions about the exams, please contact me.

Your faithfully

Ms Caroline Ramsden  
Senior Assistant Head KS4
