22 May 2018

Dear Parent/Carer

Year 7 and 8 Examination Week - Monday 18 June to Friday 22 June inclusive

I am writing to inform you that we are holding a week of subject examinations for Year 7 and Year 8 during the week of Monday 18 June to Friday 22 June 2018.

These examinations will test your daughter's progress, based on her knowledge of what has been taught to her in each subject area, throughout this academic year. These assessments will be conducted under full exam conditions to give the girls experience of formal assessment protocols.

Your daughter's subject teachers will inform her nearer the time of the exact date(s) of each subject's assessment during exams week. As a parent/carer, you will then receive the results of these assessments within your daughter's final school report in July.

We hope that this process will give all our students valuable experience of formal testing, as well as allowing our staff to measure students' progress in a formative manner.

I would like to wish your daughter good luck in these examinations. Should you have any questions, please do not hesitate to contact me.

Yours faithfully

Mr M Perry
Senior Assistant Headteacher Key Stage 3
