Dear Parent/Carer

Whole School Curriculum Day - Thursday 20 September 2018 Year 9 - STEAM Day

As part of the Whole School Curriculum Day, Year 9 students will be taking part in a series of STEAM challenges on Thursday 20 September 2018. On this day the normal timetable will be suspended to allow students the opportunity to explore Science, Technology, Engineering, Art and Maths in greater depth.

The day will involve practical activities that will develop students' team work, problem solving and design skills. They will be working in small groups with support from a Science or Design and Technology teacher. Further details about the activities and rooming for the day will be explained to your daughter in their Science lessons leading up to the Curriculum Day.

Students should arrive in school as normal for an 8:30am start, in their school uniform. They will register in their form groups in their usual form rooms. The Windmill Café will be open as usual for lunch, and the day will finish at 3:25pm.

We look forward to a fantastic day.

Yours faithfully

Eleanor Parker.

Miss E Parker

Director of Science and Social Science
