Will your child be starting School or Nursery in September 2019?

We will be holding our Foundation Stage Open Evening on Thursday 15th November 2018. Welcome talks start at 5.00 pm or 6.00 pm.

These will be followed by tours of our fantastic Foundation Stage facilities. You will also have the opportunity to meet some of our team.

Our vision is to inspire and challenge our children through a unique journey that encourages creativity, curiosity and independence, developing a lasting enthusiasm for learning in a safe and stimulating environment.

Working together and as a community to unlock the best in every individual, nurturing and empowering our children for their future.

For Nursery aged children we are able to offer 30 hour funded places, as well as morning or afternoon sessions for 15 hour funded places.

Come and visit us to find out more!

Inspire ~ Challenge ~ Succeed
