Community Sports Leadership
The fun and practical course is open to anyone aged 16 and above, no previous experience is needed just the desire to deliver sport or physical activity for young people. The new award develops vital leadership skills such as confidence, communication, organisation and motivation, whilst instilling the confidence and desire in people to make a difference within their own community. The Level 2 Award in Community Sports Leadership is a nationally recognised qualification that enables successful candidates to independently lead small groups of people in sport and recreational activities. Potential employers or further education providers will look favourably on the key leadership skills that are developed and evidenced.

Higher Sports Leadership
The Level 3 Award in Higher Sports Leadership is a nationally recognised qualification that enables successful candidates to lead unsupervised groups of people in sport and recreational activities.

Where could this take me?
