*Please do follow our Twitter Account and Facebook page to keep further updated.*

### Ideas for parents and carers to support students on Academy planning days

The next planning day is this Thursday 19<sup>th</sup> May. Why not encourage your son or daughter – or even their learning set, to visit these exhibitions and make learning connections.

- [Chemistry and Shakespeare Collection](#) at the Royal Society of Chemistry at Burlington House. *A free event celebrating the 400th anniversary of Shakespeare's death. The collection features articles and historical texts.*
- [Sunken cities: Egypt's lost worlds](#) at the British Museum. *Statues, jewellery and other items recovered from the Mediterranean Sea after many hundreds of years are exhibited alongside other objects from major Egyptian museums seen for the first time in the UK. £16.50, under 16s go free.*

### Work Experience: Can you help us?

Thank you so much for all the volunteers so far. We will be touch soon to move forward!

We have 180 students in Level 2 who will be doing work experience in Summer Term, 2016. We request your assistance in two ways:

- Would you like to be part of a parent work link group? This will be a role to help organise parents to provide work experience to students.
- Would you or your company / job be able to offer work experience to a 15 year old for a week?

If either of these are the case please email the school at [careers@uclacademy.co.uk](mailto:careers@uclacademy.co.uk) with your name and the level of engagement you would like to commit to.

We also have 100 students in Level 3 that will be going on work experience in July 2016.

These students are 17 years old on average. If this is an age group that may suit your company more, it would be great to hear from you.

Thank you in advance,

Alison Dewhirst

Curriculum Leader for Careers, Enterprise and Work-Related Learning

## GCSE Revision and Study Skills

We have provided a text book to all students that we hope they will use effectively to help guide them through their journey at Level 2/2+.

We also recommend you read it so you can support them in their first external exam period.

## General Housekeeping

### The Academy in the Local Community

Local groups, businesses, and organisations are making increasing use of facilities at the Academy. This is very much in line with our desire to be at the heart of the local community. While the majority of our students represent the Academy superbly on the way to and home from school, we would ask all parents and carers to remind their children of the following:

- Guidance from PC Sweeney and Metropolitan Police: Parents and students should remain aware that any toys that could be misconstrued as weapons are completely banned from the Academy. We urge parents and students to hand any such inappropriate toys to the Police. These include objects such as laser pens, BB guns or any replica weapons. **We have a no tolerance approach to any student bringing in objects that may be seen as a weapon.**
- Students should wear their uniform as per the expectations set until they are home or well out of sight of the Academy.
- We continue to work with Camden Council in regards to the traffic challenges and road crossings around the Academy. Our students in the main are exemplary in terms of how they cross the roads and use public transport. They must though always be vigilant, careful and respectful of others. This is something we have made very clear at the Academy and confirmation of this from home can only help us keep our students safe.

### The UCL Academy's Digital Citizens

Our children are the first generation to grow up in a completely digital age. We work constantly to ensure students remain safe online and understand how to act ethically and thoughtfully online. Parents and Teachers must work in partnership. From now on every parent bulletin will include links, ideas and suggestions to help parents remain up to speed on what can be a difficult area to keep up with your children with!

- <http://ceop.police.uk/> - an ideal place to start for all parents, carers and guardians with easy-to-understand guidance for the challenges of keeping children safe online.
- <https://www.common sense media.org/social-media> - US based website that outlines the key areas of social media that your children may be surprised to know you know about.

## Timings of the Academy Day

Please note that you can find the structure for the Academy day based on year level here: <http://www.uclacademy.co.uk/The-Academy-Day>. This includes start and finish times for each year level.

## Student Absences

Please be reminded that the correct procedure for reporting your child's absence is by calling 020 7449 3080 and pressing option 1 (student absence) where you will be directed to the Attendance Officer.

## Punctuality in the Morning

The majority of our students are consistently punctual to The Academy, ready to learn every morning. To maintain these high standards and to ensure that all students understand the importance of arriving to school punctually, we have begun sanctioning students who are consistently late over a one or two week period. This sanction runs from 15:35-16:00pm for Foundation, Level 1 and Level 1 + and 16:30pm-1700pm for other students on a Friday. Students who arrive at school without a note (or a phone-call) from a parent or carer to explain lateness, **more than once in a week** will be given a 30 min ACS on the Friday after school. Students whose punctuality **does not improve** may receive a 60 min ACS. Parents will be asked to give permission for their child to attend this ACS. We thank you as ever for your on-going support in ensuring students understand the value and importance of the high standards of behaviour and attitude to learning.

## Guidance on Mobile Phones

Please be aware of the procedure on confiscated phones:

At the Academy, we absolutely understand that mobile phones are an important method of communication between parent and child which can enhance student safety. If a student wishes to bring a mobile phone to the Academy, they must ensure that it is kept in their locker and that they are not seen at all in the learning spaces, corridors or in the communal areas. Mobile phones seen or heard by staff inside the Academy will be confiscated, unless a member of staff has given explicit instruction that it can be used. A student's mobile device is their own responsibility. We do not take responsibility for students' losing mobile devices. This information is clearly printed in your child's planner.

If your child's mobile phone is seen by a member of staff when permission has not been given, it will be confiscated. A member of staff will then contact you to inform you. **We ask that you please collect the mobile phone from reception between 4:30pm – 6:30pm.** Confiscated phones will be kept in the school safe and can only be collected by a parent or guardian unless special dispensation has been given by a member of the Senior Leadership Team.

There is absolutely no reason for any student to have their mobile phone out and visible without permission whilst on Academy premises. Should they need to contact a parent or guardian urgently, students must speak to a member of Academy staff.
