Dear Parents, Guardians and Carers,

Our original staffing structure was designed before the full implications of the complexity of the partnership between UCL as Sponsor and the Academy were realised.

Since September, we have become aware that additional staffing resources are needed to support the partnership, if we were to receive the full benefit of this amazing opportunity.

To address this need, Dr. Colin Ankerson, Head of Level 3, has taken on a new role as Director of UCL Liaison. To enable this to happen, Mr. Bernie Borland will be joining the UCL Academy in an interim capacity to lead Level 3.

Mr. Borland has over 20 years headship experience, the majority of which as Principal of St Francis Xavier Sixth form College in Clapham. He has been involved in the Level 3 curriculum since the very early days and undertook guidance briefings for current Level 3 students. I am delighted he is able to work with us in a more extensive capacity. Dr. Ankerson will still be responsible for Level 3 advice and guidance; the UCAS process; and the EPQ qualifications. Together they will make a formidable team.

Yours sincerely,

Geraldine Davies
Principal of UCL Academy
