

Dear Parents and Guardians

Re: Parents and Friends Association and International Middle Years Curriculum evening

On Tuesday 16 April 2013, the senior team would like to invite all Foundation Level parents to the Academy to introduce them to two distinctive features of Academy life. Mr Street will be speaking to parents about developing the role of the UCL Academy Parents and Friends Association and Mr Bowen will speak to Parents about the International Middle Years Curriculum and the Foundation Level reports. The evening will commence at 6.00pm and will close at 7.30pm.

The aim of this evening is to bring together members of the Academy community, and to support parents in understanding our distinctive curriculum and how we report on your child's progress. We also hope that it will allow you to ask some of the questions that you would ask at the parent consultation on the 23 April.

We hope that you will be able to attend this event at and ask that you express your interest by returning the attached reply slip.

Yours sincerely,

Robin Street
Vice-Principal
