Important Notices

Student Absences

Please be reminded that the correct procedure for reporting your child's absence is by calling 02074493080 and pressing option 1 (student absence) where you will be directed to the Attendance Officer.

Guidance on Mobile Phones

Please note some changes to the procedure on confiscated phones:

At the Academy, we absolutely understand that mobile phones are an important method of communication between parent and child which can enhance student safety. If a student wishes to bring a mobile phone to the Academy, they must ensure that it is kept in their locker and that they are not seen at all in the learning spaces, corridors or in the communal areas. Mobile phones seen or heard by staff inside the Academy will be confiscated, unless a member of staff has given explicit instruction that it can be used. A student's mobile device is their own responsibility. We do not take responsibility for students' losing mobile devices. This information is clearly printed in your child's planner.

If your child's mobile phone is seen by a member of staff when permission has not been given, it will be confiscated. A member of staff will then contact you to inform you. **We ask that you please collect the mobile phone from reception between 4:30pm-6-30pm.** Confiscated phones will be kept in the school safe and can only be collected by a parent or guardian unless special dispensation has been given by a member of the Senior Leadership Team.

There is absolutely no reason for any student to have their mobile phone out and visible without permission whilst on Academy premises. Should they need to contact a parent or guardian urgently, students must speak to a member of Academy staff.
