

Wednesday 2<sup>nd</sup> March 2016

Dear Parents, Carer or Guardian

**RE: Invitation to attend the Unit 4: Level 1+ Celebration of Learning**

As part of our approach to assessing and celebrating learning at The UCL Academy, we wish to invite you to the Celebration of Learning event where students will showcase the work they have been doing in Humanities while studying the unit Justice. The Big idea for this unit is: *A fair society is organised so that no one suffers unduly for the benefit of others.*

The main focus will be presentations of 5 minutes given by each learning set. Students have been exploring the concept of Justice and how we could bring about Justice from differing ethical standpoints. Students worked in their Learning Set to plan an investigation and worked together to produce artefacts and a presentation on a modern injustice. This event will provide you with the opportunity to view learning in action, assess the progress being made in terms of knowledge, skills and understanding and to praise the excellent learning undertaken so far by the Level 1+ year group. Your attendance will also provide a welcome audience to Level 1+ learners, giving real value to the work they have been doing.

This event will take place on Thursday 10<sup>th</sup> March, beginning at 5.00pm, hosted in the Cygnus Superstudio on the 5<sup>th</sup> floor of the Academy. The event will continue until 6:15pm, and your attendance to all or part of this event is most welcome via the Academy reception where you will be greeted and escorted to the presentation space.

We do hope that you can join us, especially Level 1+ students and parents, as they show case and celebrate their learning this year within the Humanities.

Yours sincerely

Mr S Boot  
Curriculum Leader for Humanities
