

Tuesday 12th April 2016

Dear Parents, Carers and Guardians

In March, three sixth form students; Ershad Ahmadi, Agatha Salazar, Sami Casaneanu and myself, joined a group of professors and postgraduate students from the UCL Institute for Risk and Disaster Reduction on a trip to Fukushima province, by invitation of the Governor, Masao Uchibori. The purpose was for us to see that Fukushima is well on the way to recovery after the devastations of the 2011 earthquake.

We would like to invite you to a presentation about this trip at the Academy on Tuesday 19th April from 6:00pm-7:30pm. Places are limited, so we would be grateful if you could return the slip below by Friday 15th April to let us know if you will be attending. Alternatively, please express your interest by email at t.courtenaythompson@uclacademy.co.uk with **Japan Presentation** as the subject.

We look forward to seeing you there.

Yours sincerely

Tina Courtenay-Thompson
Director of UCL Links
