

Friday 4th December 2015

Dear Parent, Carer or Guardian

Level 1+ Students: Level 2 Options

It was wonderful to meet so many of you at the recent evening to present the range of courses on offer for Level 2. At that time, we expected to be setting out the process for making choices, at a further optional meeting on the 10th of December. However, I am sorry to have to postpone that presentation until the New Year.

We had not expected that so many of the specifications for these exams would still be in draft form at the examination boards. This means we need a little more time to prepare the process for making choices and the advice we would want to offer about the suitability of courses. Even with this small delay, you and your child will still have plenty of time to work through the process of choosing the best options for them.

We are rescheduling the presentation for Thursday 14th January 2016 at 4pm. Again, this will be optional, because in advance of that we will send you information on how the process of choosing courses will work. We will also offer individual 1:1 appointments with a senior member of staff in the period following the 14th. At that point, if there are still uncertainties about what we have from the examination boards, we will explain how to mitigate that.

Yours sincerely,

Mr S McBride
Vice Principal
