

Tuesday 15th March 2016

Dear Parents, Carers and Guardians

RE: Sports Relief fundraising at the Academy – Friday 18th March 2016

On Friday 18th March 2016, the nation will be fundraising for Sports Relief and we, as The UCL Academy, are proud to inform you that students and staff will be taking part in this excellent cause. Sports Relief raises vital funds for charity, with 50% being used to make a difference right here in the UK, and 50% going towards transforming lives across the world's poorest communities. All staff and students will be completing a mile during the day and we ask for a donation of £1 to raise money for this important cause.

The day will involve:

- normal UCL Academy uniform;
- a normal day of taught lessons; and
- at appointed times staff and students will be called to complete the quickest mile on foot or bike.

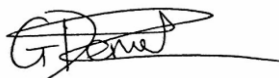

If a student would like to cycle the 11.2 laps, they can bring their bike and place it safely in the bike bays at the start of the school day; otherwise they can walk or run the 54 lengths of the netball court. Parents, carers and guardians are more than welcome to join us on the Sports Relief mile between 9.00am and 3.00pm, arriving via the main school reception. All students and staff will make the effort to complete a mile throughout the day and we will try and raise as much money as we can for this noble cause.

Staff and students will receive a sponsorship form to assist with sponsors and collecting money. This form and sponsorship money should be brought into school on Friday 18th March and handed to a member of the PE department.

Students will be allowed to attend school in their full UCL Academy PE kit all day for a £2 contribution. This includes their navy blue PE top, navy blue shorts or navy blue/black tracksuit bottoms with white or navy blue socks and trainers. This is not a non-school uniform day; students must wear their full school uniform or full UCL Academy PE kit.

If you have any queries, please do not hesitate to contact us on 0207 449 3080.

Yours sincerely

Mr G Demetriou
Curriculum Leader for PE
