

Dear Parent, Carer or Guardian

RE: Athletics Day- Tuesday 22nd September 2015

I would like to inform you that we will be hosting our annual Foundation Athletics Day on Tuesday 22nd September 2015 at Willesden Sports Centre Athletics Track. The Athletics Day competition is an integral part of the school calendar, and is the first major sporting event of the year.

The day is planned to continue the work in the community for the Olympic Legacy Development Program. To assist us with inspiring the next generation of athletes we have acquired the assistance of some exceptional international athletes to deliver a master class within their sporting expertise. They are:

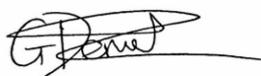

- Laura Turner – 100m and 60m - Great Britain and England
- Julian Golley- Long Jump - Great Britain and England
- Ebony Wake- Heptathlon - Great Britain and England
- Andrew Matthews- 100 and 200m - Great Britain and England

These athletes have taken time out of their training schedules to be involved in our special day and we appreciate their attendance and experience. The international athletes will lead the students in a series of masterclass sessions in the morning, and students will have the opportunity to practice and perfect their techniques. The afternoon will see the start of the competition, and students will compete in their houses to claim the Athletics Day shield.

Students need to ensure they arrive at school on time at 8:15am, and they are required to be wearing their full UCL Academy PE kit with appropriate footwear. Students will need to bring a healthy lunch and plenty of refreshments with them. Students on free school meals will be supplied with a lunch prior to departing school. We strongly recommend that students bring warm clothing to wear during the day. Students will return to the academy for 3:35pm, where they will then depart school.

If you have any questions, please do not hesitate to contact me on 0207 449 3080.

Yours sincerely,

Mr. Demetriou
Curriculum Leader for Physical Education and Sport
