

October 2015

Dear Parents, Carers, Guardians and Teachers

Unit 1: Foundation Celebration of Learning – Wednesday 4th November 2015

As part of our approach to assessing and celebrating learning at The UCL Academy, we wish to invite you to the first Celebration of Learning event where students will showcase the work they have been doing in Humanities since the start of the academic year.

The main focus will be presentations of 5 minutes given by each learning set outlining the principles, features and artefacts of the equitable civilisations they have been designing over the first half term. This event will provide you with the opportunity to view learning in action, assess the progress being made in terms of knowledge, skills and understanding and to praise the excellent learning undertaken so far by the Foundation year group. Your attendance will also provide a welcome audience to Foundation learners giving real value to the work they have been doing.

This event will take place on Wednesday 4th November, beginning at 5:00pm, hosted in the Foundation Superstudio. The event will continue until 6:15pm, and your attendance to all or part of this event is most welcome. Please arrive at the Academy reception where you will be greeted and escorted to the presentation space.

We do hope that you can join us, as our Foundation students showcase and celebrate their learning so far within the Humanities.

Yours sincerely

Mr R Gratton
Assistant Principal

Mr S Boot
Curriculum Lead for Humanities
