World Book Day, non- school uniform – Thursday 3rd March

The Academy will be celebrating World Book Day on Thursday, 3rd March. The day is an important event which aims to raise the profile of reading for pleasure which in turn has many benefits for students, including raising their academic progress. It is also an opportunity for us to fundraise for an important cause. The charity we are supporting this year is 'The Book Bus' (www.thebookbus.org), a charity which provides books and vital literacy materials to children in deprived communities across Africa.

We are inviting students to come to school dressed as their favourite book character for the day, along with a **£1.50 donation** to our chosen charity. If students choose to come dressed in their own clothes, we will be requesting a **£2 donation**. If students do not wish to make a donation, they are welcome to come dressed in their usual, full school uniform. Staff will be joining students in dressing as their favourite book character for the day.

Other exciting events taking place:

- Whole Academy "Drop everything and read" session
- Bake sales
- Assemblies throughout the day, including a special performance from English and Drama Department staff
- All students can redeem a '£1 Book Token' from the library
- Literary quizzes in the library

We welcome any donations of cakes and biscuits for our bake sale to be dropped off in the Food Department on Wednesday and Thursday morning.

Work Experience: Can you help us?

Thank you so much for all the volunteers so far. We will be touch soon to move forward!

We have 180 students in Level 2 who will be doing work experience in Summer Term, 2016. We request your assistance in two ways:

- Would you like to be part of a parent work link group? This will be a role to help organise parents to provide work experience to students.
- Would you or your company / job be able to offer work experience to a 15 year old for a week next year?

If either of these are the case please email the school at careers@uclacademy.co.uk with your name and the level of engagement you would like to commit to.

We also have 100 students in Level 3 that will be going on work experience in July 2016.

These students are 17 years old on average. If this is an age group that may suit your company more, it would be great to hear from you.

Thank you in advance,
Mr Molloy
Assistant Principal

Working With Our Sponsor, UCL

After the great success of last term's UCL Lectures, the program continues:

- UCL Lecture series: Thursday, 21st April 2016, Professor Lucie Green
- Next round of mentor meetings on this Wednesday for Level 1 and Level 3

GCSE Revision and Study Skills

We have provided a text book to all students that we hope they will use effectively to help guide them through their journey at Level 2/2+.

We also recommend you read it so you can support them in their first external exam period.

A session for parents will take place later in the term that will give practical advice to help with the upcoming exam seasons.

Camden Notices

Is your son or daughter applying to UCAS this year? Are you worried about the debt they will incur at the end of their course?

Camden Council is working in partnership with Anglia Ruskin University and HULT International Business School to offer Camden school children a range of part and fully-funded scholarships to help our young people realise their full potential without the burden of debt on their shoulders.

With tuition fees increasing, the scholarships provide a once-in-a-lifetime opportunity to transform your child's career prospects without getting into debt. (The Hult undergraduate scholarship is worth £90,000). Read our case studies to find out more.

General Housekeeping

The Academy in the Local Community

Local groups, businesses, and organisations are making increasing use of facilities at the Academy. This is very much in line with our desire to be at the heart of the local community. While the majority of our students represent the Academy superbly on the way to and home from school, we would ask all parents and carers to remind their children of the following:

- Guidance from PC Sweeney and Metropolitan Police: Parents and students should remain aware that any toys that could be misconstrued as weapons are completely banned from the Academy. We urge parents and students to hand any such inappropriate toys to the Police. These include objects such as laser pens, BB guns or any replica weapons. **We have a no tolerance approach to any student bringing in objects that may be seen as a weapon.**
- Students should wear their uniform as per the expectations set until they are home or well out of sight of the Academy.
- We continue to work with Camden Council in regards to the traffic challenges and road crossings around the Academy. Our students in the main are exemplary in terms of how they cross the roads and use public transport. They must though always be vigilant, careful and respectful of others. This is something we have made very clear at the Academy and confirmation of this from home can only help us keep our students safe.

The UCL Academy's Digital Citizens

Our children are the first generation to grow up in a completely digital age. We work constantly to ensure students remain safe online and understand how to act ethically and thoughtfully online. Parents and Teachers must work in partnership. From now on every parent bulletin will include links, ideas and suggestions to help parents remain up to speed on what can be a difficult area to keep up with your children with!

- <http://ceop.police.uk/> - an ideal place to start for all parents, carers and guardians with easy-to-understand guidance for the challenges of keeping children safe online.
- <https://www.common sense media.org/social-media> - US based website that outlines the key areas of social media that your children may be surprised to know you know about.

Timings of the Academy Day

Please note that you can find the structure for the Academy day based on year level here: <http://www.uclacademy.co.uk/The-Academy-Day>. This includes start and finish times for each year level.

Student Absences

Please be reminded that the correct procedure for reporting your child's absence is by calling 020 7449 3080 and pressing option 1 (student absence) where you will be directed to the Attendance Officer.

Punctuality in the Morning

The majority of our students are consistently punctual to The Academy, ready to learn every morning. To maintain these high standards and to ensure that all students understand the importance of arriving to school punctually, we have begun sanctioning students who are consistently late over a one or two week period. This sanction runs from 15:35-16:00pm for Foundation, Level 1 and Level 1 + and 16:30pm-1700pm for other students on a Friday. Students who arrive at school without a note (or a phone-call) from a parent or carer to explain lateness, **more than once in a week** will be given a 30 min ACS on the Friday after school. Students whose punctuality **does not improve** may receive a 60 min ACS. Parents will be asked to give

permission for their child to attend this ACS. We thank you as ever for your on-going support in ensuring students understand the value and importance of the high standards of behaviour and attitude to learning.

Guidance on Mobile Phones

Please be aware of the procedure on confiscated phones:

At the Academy, we absolutely understand that mobile phones are an important method of communication between parent and child which can enhance student safety. If a student wishes to bring a mobile phone to the Academy, they must ensure that it is kept in their locker and that they are not seen at all in the learning spaces, corridors or in the communal areas. Mobile phones seen or heard by staff inside the Academy will be confiscated, unless a member of staff has given explicit instruction that it can be used. A student's mobile device is their own responsibility. We do not take responsibility for students' losing mobile devices. This information is clearly printed in your child's planner.

If your child's mobile phone is seen by a member of staff when permission has not been given, it will be confiscated. A member of staff will then contact you to inform you. **We ask that you please collect the mobile phone from reception between 4:30pm – 6:30pm.** Confiscated phones will be kept in the school safe and can only be collected by a parent or guardian unless special dispensation has been given by a member of the Senior Leadership Team.

There is absolutely no reason for any student to have their mobile phone out and visible without permission whilst on Academy premises. Should they need to contact a parent or guardian urgently, students must speak to a member of Academy staff.
