

Application for in-year admissions

This form is for making an in-year application if:

- You have moved within the borough and would like to change to a more local school;
- You have moved to Thurrock, either from another part of the country or from abroad;
- You wish to move from home education to school education;
- You wish to move from a fee-paying school to a state funded school;
- You wish to change schools;

Before filling in this form please make sure that you have read the guidance on the Thurrock Council website thurrock.gov.uk/admissions

What you should consider before applying for a place at another school

If you simply want to change schools you should think carefully about whether this is really necessary and in your child's best interests. It is generally in a child's best interest to remain at the same school. Whatever the stage of education your child is in, changing schools can cause disruption. You should ask yourself the following questions before making a decision.

Is my child having problems at their current school?

If your child is having problems, a change of school is not always the answer. You should discuss any concerns with your child's headteacher before you apply for a transfer. There are many support agencies that will be able to help. The headteacher of your child's school will be able to advise what help is available.

Does my child have a statement of special needs?

If your child is receiving extra support through a special needs statement/education health care plan, or is undergoing a formal assessment of special educational needs, you should speak to your child's current headteacher and SEN case officer before applying to transfer school.

A change of school could mean that there was a delay in completing the assessment or in setting up support in a new setting, or that some types of support would not be available.

Is my child in key stage 4 (years 10 or 11)?

If your child is in year 10 or year 11, you should think very carefully before moving them for any reason. The Key Stage 4 curriculum is different in each secondary school. A different school is unlikely to be able to offer all the same subject options, such as GCSEs and BTECs, for which your child has studied and completed coursework. Even if they do, they may use different examination boards or syllabuses. You need to speak to the school you are interested in about options and exams before making a request to transfer.

Do I receive assistance with my child's travel to the current school?

You should also bear in mind that if you do choose to move your child from one school to another you will not automatically qualify for home to school transport. If you want to ask about entitlement eligibility you should e-mail Awards@thurrock.gov.uk for help.

The law on school attendance

Your child must continue to attend their present school or be educated otherwise than at school until they start at another school.

You may not withdraw your child from school unless you have made other arrangements for them to receive full-time education.

If you make arrangements other than school you must inform your child's present school in writing before attendance ceases. The local authority will check that the arrangements you are making are suitable and satisfactory.

ADDRESS VERIFICATION

Applications will normally be processed on the basis of the home address for the child at the time of application and offer. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. The adult with whom the child is 'ordinarily resident' would receive the child benefit for the child.

In order to help us verify your address quickly please provide either your council tax account number in the boxes below or enclose with your application a copy of your current council tax bill.

If you are not able to provide a council tax account number or bill you must provide a utility bill or bank statement dated within the last two months as proof of address.

If you are renting your property please also enclose a copy of the signed tenancy agreement.

My Thurrock Council tax account number is:
(this can be found on the top right of your council tax bill)

The information I have given on this form is correct to the best of my knowledge and I understand that you may check my council tax record to verify the address information I have given.

Signed Print Name Date

Applications will usually be processed within 15 working days. You may appeal to the relevant admission authority against any decision to refuse admission.
