

## *Strength and Courage*

### Newsletter – Autumn term ② 2018

Dear Parents / Carers,

#### Children-In-Need

Altogether £382.79 was raised for this worthy cause! Also a big thank you to Year 3/Mr Duncan's class for selling delicious Pudsey cakes at break time and donating all the profits to Children-In-Need.

#### Science Homework

The Projects completed during the recent half term holiday were excellent! The children's efforts have been commended by all visitors to the school for the very high standard of the work achieved. The children told me they enjoyed putting their projects together and learned a lot in the process. I am pleased the work has been so valuable to them.

#### Access works

For two days on the 29<sup>th</sup> and 30<sup>th</sup> November some unavoidable site works will be taking place. On these days you will not be able to access the school from the side gate on Schoolfield Road. Please also note that children will not be able to have their bicycles stored in school on these days as the bicycle rack cannot be accessed. Thank you for your understanding. Entrance areas from London Road and Flint Street will not be affected.

#### Cold weather

Please ensure your child brings their coat and warm accessories into school every day with the colder temperatures. The children will also need jogging trousers to wear in PE.

#### Flu vaccination

If you have applied for your child have the flu vaccination in school, it will be taking place on Friday 30<sup>th</sup> November.

#### Year 1 and Reception Phonics Parent's Meeting

The Phonics meeting for parents/carers has been rescheduled for Tuesday 27<sup>th</sup> November at 2.45 p.m. in the hall.

#### Did you know?

Our school funds a trained counsellor for the children to talk to, if they need to. With parental permission, the counsellor supports individual pupils through any personal or interpersonal difficulties they are experiencing. This is a long-standing service we have provided to the children for sixteen years. We are very committed to supporting pupils' mental health and well-being. If you would like any information regarding this, please do not hesitate to contact Mrs Miller (Sendco) or myself.

We very much look forward to welcoming you at our forthcoming events, please see the attached.

Kind regards,

Susan Cook  
Headteacher
