not room for all.

The School year is divided into three terms, and the vacations are ten
days at Easter, six weeks at Midsummer (commencing on the Friday nearest the
end of July), and about two weeks at Christmas. All boys must return at the
time appointed.

Books, Stationery, Drawing Materials, &c.

There are three terms in the year.

Disregard of the rule requiring payment of the Fees in advance (at the Clerk's Office) may lead to the removal of boy's name from the School Books without further notice. (See directions on Terminal Bill.)

The Books, Apparatus, and Stationery supplied by the Governors at the above fixed terminal charges, payable in advance, will remain the property of the School. Any loss, improper treatment, or wilful damage, will have to be made good by the parent or guardian of the boy.

Except for tools damaged, and for materials made up and taken home, no charge is at present made in respect of the work-shops.

Before the admission of any boy into the School, a certificate of his good conduct and character may be required from his former teacher, and no boy can be admitted who has been expelled or removed for misconduct from any other school.

All boys seeking admission are required to pass an Entrance Examination which is graduated according to their ages:

No boy may enter or return to School from any house in which there has been any infectious disease within the three preceding months, without bringing a medical certificate, and obtaining the permission of the Head Master. In case of any violation of this Rule, the boy will immediately be sent home, and the sum paid for the term forfeited to the School.

Immediate notice must be sent to the Head Master in case of absence from illness or any other cause. Absence without the Head Master's permission may lead to removal.

Any boy is liable to expulsion for irregularity of attendance, want of cleanliness, or misconduct, and, in such event, the fees paid will be forfeited to the School.

Caps, coats, overcoats, satchels, umbrellas, and other things brought into the School, must be distinctly marked with the boy's name in full. Every care will be taken to prevent loss, but the School will not be responsible for losses of any kind.

Three (Senior) Scholarships of £6. 6s. per annum for three years and Three (Junior) Scholarships of £4. 10s. per annum for two years, open to the whole School, will be awarded at the Annual Examination. They are tenable in the School only, and will be liable to forfeiture if the Governors should be of opinion that there has been on the part of the Scholar any misconduct, irregularity of attendance, or failure to maintain a reasonable standard of proficiency.

The Governors give Gold and Silver Medals and Prizes at Christmas for general proficiency and good conduct.

Foundation Scholarships (value £4. 17s. 6d. to £6. 15s. a year) conferring wholly free education are reserved (i) for boys attending, and who for the space of three years have attended any Public Elementary School or Schools in the Parishes of St. Margaret or St. John, Westminster, and St. Luke, Chelsea; and

The former class are nominated, immediately after the Annual Government Inspection, by the Managers and Masters of the said Elementary Schools in rotation, and are given as a reward of merit and proficiency. The orphan and adversity cases are elected by the Governors, and forms of application may be obtained at the Clerk’s Office. Candidates must not be under 9, and should not be more than from 10 to 11 years of age.

£5 each will be paid to 10 Foundation Scholars, of about 14 years of age, who have been for at least five terms in the School, as a reward for good
conduct and proficiency, and for the purpose of enabling them to attend the School another year.

A limited number of Foundation Scholarships of the annual value of £34. 10s. a year, and tenable in Emanuel School, Wandsworth Common, will be awarded by examination at Christmas (and annually) to boys holding Elementary School Scholarships in this School. A similar privilege may, however, be extended to orphan and adversity Scholars connected with Westminster and Chelsea, and awarded in the same way.
