

# Looked After Children Policy

Ratified by the Governing Body – July 2017

Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make positive contribution to society and achieve economic well-being.

This policy takes account of:

- The County Council's duty under Section 52 of the Children Act 2004 to promote the educational achievement of Looked After Children (LAC).
- The Education (Admission of Looked After Children) (England) Regulations 2006.
- Relevant DfES guidance to Governing Bodies (Supporting Looked After Learners: A Practical Guide for School Governors),
- Keeping Children Safe in Education: DOE (April 2014)

The Wey Valley School's approach to supporting the educational achievement of Looked After Children is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations
- Promoting inclusion through challenging and changing attitudes
- Achieving stability and continuity
- Early intervention and priority action
- Listening to children
- Promoting health and wellbeing
- Reducing exclusions and promoting stability
- Working in partnership with carers, social workers and other professionals

Implications

As for all our students, The Wey Valley School is committed to helping every Looked After Child to achieve the highest standards they can, including supporting aspirations to achieve in further and higher education. This can be measured by improvement in their achievements and attendance.

The Governing Body of The Wey Valley School is committed to providing quality education for all students and will:

- Ensure a Designated Teacher for Looked After Children is identified and enabled to carry out the responsibilities set out below
- Ensure a Personal Education Plan is put in place, implemented and regularly reviewed for every Looked After Child, in line with Dorset's guidance on Personal Education Plans.
- Identify a governor as Designated Governor for Looked After Children.

This policy links with a number of other school policies and it is important that Governors have regard to the needs of Looked After Children when reviewing them:

The School Code of Conduct  
Behaviour Policy  
Discipline Policy  
Home School Agreement  
Anti-Bullying Policy  
Equal Opportunities Policy  
Policy on Racial Harassment  
Child Protection Policy  
Special Educational Needs Policy

The school will champion the needs of Looked After Children, raise awareness and challenge negative stereotypes about them, in order to ensure that they achieve to the highest level possible.

## LOOKED AFTER CHILDREN SCHOOL POLICY ATTACHMENTS

### RESPONSIBILITY OF THE PRINCIPAL

- Identify a Designated Teacher for Looked After Children, whose role is set out below. It is essential that another appropriate person is identified quickly should the Designated Teacher leave the school or take sick leave.
- Ensure that procedures are in place to monitor the admission, progress, attendance and any exclusions of Looked After Children and take action where progress, conduct or attendance is below expectations.
- Report on the progress, attendance and conduct of Looked After Children.
- Ensure that the staff in school receive relevant training and are aware of their responsibilities under this policy and related guidance.

### RESPONSIBILITY OF THE GOVERNING BODY

- Monitor the academic progress of Looked After Children, through annual report (see below)
- Work to prevent exclusions and reduce time out of school, by ensuring the school implements policies and procedures to ensure Looked After Children achieve and enjoy their time at the school, by recognising the extra problems caused by excluding them and by not excluding them except as a last resort.
- Ensure that the school has a Designated Teacher, and that the Designated Teacher is enabled to carry out his or her responsibilities as below.
- Support the Principal, the Designated Teacher and other staff in ensuring that the needs of Looked After Children are recognised and met.
- With regard to any looked-after children with an EHC Plan, the school will work with partners and agencies to ensure that educational outcomes in the plan are worked towards and achieved.
- Receive a report once a year setting out:
  1. The number of Looked-After students on the school's roll (if any).
  2. Their attendance, as a discreet group, compared to other students.
  3. Their KS3 scores, GCSE results, and other qualifications achieved, as a discreet group, compared to other students.
  4. The number of fixed term and permanent exclusions (if any).
  5. The destinations of students who leave the school.

6. The information for this report should be collected and reported in ways that preserve the anonymity and respect the confidentiality of the students concerned.

## THE ROLE OF THE DESIGNATED TEACHER

Government Guidance says that the Designated Teacher should be “someone with sufficient authority to make things happen... (who) should be advocate for Looked After Children, assessing services and support, and ensuring that the school share and supports high expectations for them.”

Governors should be aware that all schools are already required to have a designated teacher for LAC. It is strongly recommended that this person should be a member of the Senior Management Team.

Our Designated Teacher will:

- Ensure a welcome and smooth induction for the child and their carer, using the Personal Education Plan to plan for that transition in consultation with the child’s social worker
- Ensure that a Personal Education Plan is completed with the child, the social worker, the foster carer and any other relevant people.
- Ensure that each Looked After Child has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child’s own wishes. Members of staff who take on this role may need to be supported by someone from the school’s pastoral staff. They should be alert to any child protection issues, any disclosures that students may make, and know what action to take. They should link closely therefore with the school’s Designated Lead for Child Protection.
- Track academic progress and target support appropriately
- Co-ordinate any support for the Looked After Children that is necessary within school.
- Ensure confidentiality for individual students, sharing personal information on a need to know basis.
- Encourage Looked After Children to join in extra-curricular activities and out of school learning.
- Ensure, as far as possible, attendance at planning and review meetings.
- Act as an advisor to staff and Governors, raising their awareness of the needs of Looked After Children.
- Set up timely meetings with relevant parties where the student is experiencing difficulties in school or is at risk of exclusion.
- Ensure the speedy transfer of information between individuals, agencies and – if the student changes school – to a new school.
- Be pro-active in supporting transition and planning when moving to a new phase in education.
- Track academic progress and target support appropriately
- Promote inclusion in all areas of school life
- Be aware that 60% of Looked After Children say that they are bullied, so will actively monitor and prevent bullying in school by raising awareness through the school’s anti-bullying policy
- Ensure that the audit on attendance and numbers is returned to the LAC Education Advisor every Term.

## THE RESPONSIBILITIES OF ALL STAFF

All our staff will:

- Have high aspirations for the educational and personal achievement of Looked After Children, as for all students.
- Maintain looked after Children's confidentiality where appropriate and ensure they are supported sensitively.
- Respond positively to a student's request to be the named member of staff whom they can talk to when they feel it is necessary.
- Respond promptly to the Designated Teacher's requests for information
- Work to enable Looked After Children to achieve stability and success within school.
- Promote the self-esteem of all Looked After Children
- Have an understanding of the key issues that affect the Learning of Looked After Children
