Dear Parents / carers,

Following a period of absence, I must inform you that Ms Adams has taken the decision to retire from her post as Principal of The Wey Valley School and the Governing Body agreed to allow her to leave at the end of December 2018.

Ms Adams would like you all to know that she has enjoyed her time at Wey Valley immensely and wishes staff, students, parents and governors the very best for the future. The Governing Body extends its thanks to Ms Adams for the hard work and dedication she has given to the school and wishes her a long and happy retirement.

The Governing Body also wishes to thank Mrs Watson who stepped up to lead the school during the second half of last term and we are delighted that she has now agreed to continue to lead the school in the role of Interim Principal.

You will all be aware of the current challenging situation of the secondary schools in Weymouth and the importance of good working partnerships to delivering school improvement. Wey Valley has been a stand-alone academy since 2012 and the Governing Body believes that the time is now right for the school to be seeking a partnership with other academies in order to benefit from economies of scale and sharing of best practice. We are therefore working towards joining a local Academy Trust and parents will receive further details regarding an information evening and an opportunity to comment in due course.

With best wishes

Yours faithfully

Mrs Diane Day  
Chair of Governors
