

### Task 1.

#### Art

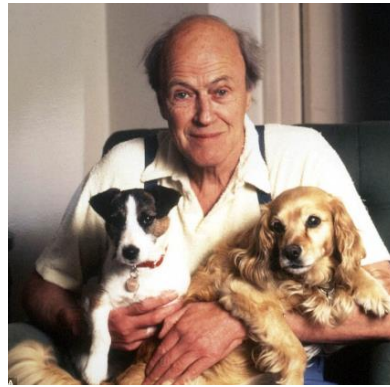

Create one of your favourite scenes from one of Roald Dahl's books. You could use little models and build it in a shoe box or simply draw it on paper. Try and see if you can use the Quentin Blake drawing technique.

### Task 3.

#### Writing

Roald Dahl used to write his famous stories in his shed. Find a place in your house where you are comfortable writing and write your own story or a second story for an already famous Roald Dahl book.

### Year 4

#### Home learning tasks

#### Topic: Charlie and the Chocolate Factory

Bring in your fantastic work or pictures of your home learning as and when you complete it to share with the class.

### Task 2.

#### Computing

Research Roald Dahl on your home device and use your creative style to create an interesting fact file which gives lots of information about Roald Dahl. You can use his website to help you.

### Task 4.

#### Design and technology

Make your own Wonka bar at home. Melt a chocolate bar with an adult and decorate it with any treats you want to add e.g. sweets or fruit and then chill it so it solidifies into a new chocolate bar. Then create a review of your new bar and/or write instructions on how to make it
