TASK 1

It's important to have yummy snacks when you're camping outside. S'mores can be made on a campfire or BBQ, so they are ideal! Find out how to make them, practice with an adult to help and take some photos if possible! You could even write a recipe for S'mores for your friends to follow.

TASK 2

We would like you to get out into the great outdoors and take your reading book with you! Take some pictures of you reading in as many weird and wonderful places as possible (remember to stay safe). As part of this task, we would like you to try and visit your local library, sign up for a library card and enjoy a variety of books.

Walk on the Wild Side

YEAR 2

Autumn 1

AT LEAST ONE TASK TO BE COMPLETED BY: Monday 15th October 2018

TASK 3

We want you to be a wildlife detective. Keep your eyes peeled for birds, animals and minibeasts visiting your garden, park or local area. Keep a record of what you see. You could even take photos or draw pictures of the creatures.

TASK 4

Use the internet and/ or books to find the names of as many British trees as possible. Make a list, draw pictures and note down any other interesting facts you find out.

Can you find out which trees grow to be the tallest?
