Year 1 and Reception children only

Does your child enjoy music, dancing and art? Then ‘Musical Explorers’ is the club for them!

Your children will explore and respond to music through various activities, develop their musical skills (such as time keeping, rhythm and composition), knowledge of the musical themes and imagination through a variety of creative and fun activities.

In previous years this has proven to be a fantastic confidence booster for all participants!

I am an experienced Reception and Year 1 teacher with a huge passion for music.

I would love to take your children on a musical journey next term! :)

There are limited spaces which will be filled on a first come first serve basis.
