

Football (boys and girls), netball, cricket, basketball and School Council will continue to run this term for the **children who currently attend**.

If your child wishes to join **any of the other school clubs that run after school**, they should collect an individual letter from the club organiser to register their interest. For our more popular clubs, children will be selected for places by pulling names out of a hat. You will receive confirmation that they have a place with start dates or a letter confirming your child's name has been added to the club's waiting list. There may be a small charge for some clubs (see letter for individual club info). Once clubs have started they will continue to run each week unless you receive a letter telling you otherwise.

Cancellations at short notice will be notified by text.

Where clubs are run by external organisations, please contact them direct as charges apply.
