

# Wimborne Weekly - May 2

## Fundraising Thank You!

Thank you to all of you who supported the 'Tom Prince Osteosarcoma Research Fund'. The children made a huge effort dressing up and our schools were a sea of blue on Friday enabling us to raise an amazing £472.10 for this charity, which is a fantastic achievement!

Thank you for your continued support!

## Stubbington Residential- Year 4

The Year 4 residential trip to Stubbington Study Centre was a great success! The debate is on as to which activity was enjoyed the most: earthquake (assault course), pond dipping or shelter building. Let the children's comments help you decide!

Evie and Erika said, "The Stubbington staff explained how earthquakes are formed, then we got into groups of 5.

Next, we did a course where we had to pretend that there was lava on the floor, if we fell onto the grass, we had to start from the beginning of that section again. We also tried to save baby dolls by rescuing them."

"Our favourite part was the Earthquake Rescue because there was a lot of teamwork and we passed around the equipment. We also had to find babies. After that we went to the swing that had water on the floor." explained Liam and Adam.

"Another highlight was being in the hide after dark while dressed in our pyjamas! We saw several badgers and foxes eating our left-over food!"

Ki and Gabriel, exclaimed, "We had lots of fun den building!"

Erlend and Eloise said, "When we came back from Stubbington Study Centre we were sad to leave because it was so much fun!"

"An amazing adventure for all ages." expressed Sam J and Busby.

## Mathematician of the month

A huge well done to these children for being nominated for great mathematical skills!

## Pets need a home for half term!

Would you like to look after our rabbits or guinea pigs over the half term?

We have a run that you could take home for the rabbits and the cage for the guinea pigs is small enough if you needed to take that home. The rabbit hutch is probably too big so you would need to already have one of these. We would supply all bedding and food.

Please contact the school office or Mrs Jacobs for more details.

We celebrate children's achievements in and out of school; please let us know of your child's achievements.
