

Wimborne Weekly - December 1

Thank you for all your support

It's only 18 sleeps until Christmas!

Thank you for all your amazing support for Children in Need; together we raised a total of £624.22. A huge thank you to School Council for organising this - you did very well with this being your first fundraising event this year. A huge thank you to all the children who brought in cakes to raise money.

Full Steam Ahead

After the first half term of getting to know their new STEAM TEAMS, teachers decided they wanted to get more practical! During our INSET day, teachers planned a new topic ready for the Spring Term called **"Engineering at the Movies"**. We have planned experiments to show how special effects are created in films, making 3D cinema glasses and children will even be making a structure that can survive a disaster movie earthquake! These are just a *few* of the activities planned.

Next term each STEAM TEAM will be given a house name and points can be won for attitude, teamwork and for any competition winners throughout the term. We will also be having a launch day where children can dress up as their favourite scientist, inventor, engineer, artist or mathematician - letters with more information will be sent in the new year.

If you are involved with film making (professional or amateur) and would like to join in with any sessions or come and talk to the children then please contact the school office. We would love to hear from you.

Football

The boys' football team have been very successful in the football league this year and have finished 3rd overall, only losing 3 games in total.

They have been a strong team and have shown all the STAR values consistently!

Rock Challenge

For the first time ever at Wimborne, we are taking part in the Junior Rock Challenge, which was set up by the Be Your Best Foundation, a registered charity, in 1998. The competition aims to encourage young people to make positive life choices and be their best. The competition has proven and evidenced benefits above and beyond these original objectives.

Miss Hamilton and Miss Borsley were wowed by the auditions and have put together a fantastic group of dancers and gymnasts to represent our school. They have been working really hard and are all very excited to run the first dress rehearsal on the 14th December. A big well done to all involved- we can't wait to see the final performance at the Guildhall on 16th February 2019.

We celebrate children's achievements in and out of school; please let us know of your child's achievements.

Star Value Awards

Sincerity

Isaac Homewood 6EJ

Teamwork

Scarlet Jackson 5LA

Jamie-Clare Jones 5LA

Scarlett Rigney-French 5LA

Achievement

Sophie Duncan-Flavell 3LM

Attendance cup awarded to 3LM & 5LA for excellent attendance.

Words of the Week

jeer, flail, sumptuous, apprehensive, cavernous

Big Question of the Week

Should adverts be a place to share news and opinions?

Diary Dates:

December

7th- Sumdog competition runs until 15th December
