

Year 3

This reading list is intended as a general guide only. It should not be seen as an exhaustive list of books your child must read during their Summer holiday. The books on this list are considered suitable reading material for the majority of children moving into year 3 to read independently or with an adult. Children who have some difficulty reading or children who have a particularly advanced reading ability may not necessarily find all of the books on this list suitable. Above all, reading should be fun! If in doubt, ask yourself whether your child is enjoying the book.
