

Our school community are really sad about what happened to our friend, George Allison. We are thinking about him and his family all the time. Here are some lovely things that we remember about him.

***Here are some things we remember about George...***

- George had such a lovely smile and a great sense of humour! He liked listening to funny silly songs and when playing bat and ball he loved hitting the ball into the bushes and car park for the teachers to get!
- George loved learning, both indoors and outdoors. He particularly liked numbers
- George really loved playing buses and trains
- George was kind and friendly with all of the children in Reception
- George loved to read! He loved all stories, and one particular favourite story was Jack and the Beanstalk
- He loved Fireman Sam and Thomas the Tank Engine
- George's favourite colour was orange

***We miss you George and will remember you always!***
