

# Bee Gees Medley - 2018

## You Win Again -

I couldn't figure why  
You couldn't give me what everybody needs  
Shouldn't let you kick me when I'm down, my baby  
Find out everybody knows  
That you've been using me  
I'm surprised you  
Let me stay around you  
One day I'm gonna lift the cover  
And look inside your heart  
We gotta level before we go  
And tear this life apart

There's no fight you can't fight  
This battle of love with me  
You win again  
So little time  
We do nothing but compete  
There's no life on earth  
No other could see me through  
You win again  
Some never try  
But if anybody can, we can - -  
But I'll be, I'll be -  
Following you

## Tragedy -

Here I lie, in a lost and lonely part of town  
Held in time, in a world of tears I slowly drown  
Going home, I just can't make it  
All alone, I really should be holding you, holding you  
Loving you, loving you -----

Tragedy!  
When the feeling's gone and you can't go on  
It's a tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one to love you  
You're going nowhere

Tragedy!  
When you lose control and you got no soul  
It's a tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one beside you  
You're going nowhere

### Jive Talkin' -

It's just your jive talkin'  
You're telling me lies, yeah  
Jive talkin'  
You wear a disguise  
Jive talkin'  
So misunderstood, yeah  
Jive talkin'  
You're really no good

Oh, my child, you'll never know  
Just what you mean to me  
Oh, my child, you got so much  
You're gonna take away my energy

With all your jive talkin'  
You're telling me lies, yeah  
Good lovin'  
Still gets in my eyes  
Nobody  
Believes what you say  
It's just your jive talkin'  
That gets in the way

## Stayin' Alive -

Well, you can tell by the way I use my walk  
I'm a woman's man: no time to talk  
Music loud and women warm, I've been kicked around  
Since I was born  
And now it's all right, it's okay  
And you may look the other way  
We can try to understand  
The New York Times' effect on man

Whether you're a brother or whether you're a mother  
You're stayin' alive, stayin' alive  
Feel the city breakin' and everybody shakin'  
And we're stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive

## Night Fever -

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it  
On the waves of the air  
There is dancin' out there  
If it's somethin' we can share  
We can steal it

And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me, yeah,  
And the feelin' is right

Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it

Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Born on the wind  
Makin' it mine
