We've come a long way

We've had success (doo doo doo),
We've had good times (doo doo doo)

Choir: *But remember this*

Verse 1:

Been on this path of life for so long
Feel I've walked a thousand miles
Sometimes strolled hand in hand with love
Everybody's been there

With danger on my mind I would stand on the line of hope
And I knew I could make it
Once I knew the boundaries I looked into the clouds and saw
My face in the moonlight

*Just then I realized what a fool I could be
Just 'cause I look so high you don't have to see me
Finding a paradise wasn't easy but still
There's a road going down the other side of this hill*

Chorus

*Never forget where you've come here from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream*

Verse 2:

Safe from the arms of disappointment for so long
Feel each day we've come too far
Yet each day seems to make much more
Sure is good to be here
I understand the meaning of 'I can't explain this feeling' now
And it feels so unreal
At night I see the hand that reminds me of the stand that I made
The fact of reality

Chorus (all):

***Never forget where you've come here from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream***

Solo group only

*We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
But remember this*

*We're not invincible
We're not invincible*

We're not invincible

This will be someone else's dream***
