Dear Parents and Children

This has been a busy week for school trips. Read on to find out more.

Year 3 to Tesco

The children in Year 3 visited Tesco earlier this week to learn about healthy food choices. They took part in a range of practical activities, which were informative and fun. The Tesco staff were very good and explained the activities clearly. As a result, these activities were very well suited to the children, who were interested and engaged. Super links have been made to the Year 3 geography topic.

One of our children commented on the trip that, 'I enjoyed the trip; it was amazing. My favourite part was when we looked at the ingredients section on the boxes and saw how much sugar there is in some food.' A very worthwhile trip indeed! Many thanks to the school staff and helpers and to Mr Rose for using his business links to make this visit happen.

Year 1 to the Transport Museum

Our Year 1 children visited the transport museum in Coventry earlier this week as part of their topic on

transport. The picture below left is the

same make and model as a car I owned years ago! Talk about feeling old! Mrs Saeed also organised performance cars visiting the school last week. Many thanks indeed to her uncle for sending these cars in, a Porsche and a Maserati no less! The children have had a fantastic time!

Attendance

Weekly Attendance	Class
EYFS Highest	RW - 99.4%
KS1 Highest	2M,1B +1R - 100%
LKS2 Highest	3C - 99.4%
UKS2 Highest	5M -99.6%
Whole school	97.7%

Overall attendance was back up again last week, with three KS1 classes achieving 100%. Very well done to all children.

Winners of the Weekly ATL Cup

Many congratulations to the classes above and the children below for achieving the most ATL points in the week before half term.

KS1	Molly H, 2P
LKS2	Alex W, 4A
UKS2	Isabelle C and Lucie M, 5M

Science and Technology

We have also had some real life industrialists in school, working with our Year 6 children who were challenged to build a tower out of dried spaghetti to support and object. Without a doubt, the children absolutely loved this experience. Many thanks to the PM Group and Mr Rose for another fabulous business link.

Sportspix

Sportraits, by ActivePix, launched earlier this week. You can view this photo style by following

<http://www.activepix.co.uk/sportrait.pdf>.

I think these photos are amazing and can see a real opportunity for their use in and around the school. Don't take my word for it, take a look!

Pathways - OFSTED

Pathways was inspected this week; though the outcome cannot be shared at the moment, I believe it went well. The links between our school nursery and Pathways were seen as very strong. I will share more when I am able to.

Anti-Bullying Week

Our children have been engaging in all kinds of activities this week regarding anti-bullying. They are really aware of the High 5 Against Bullying; we are all really pleased with the level of their understanding.

Dropping Children at staff run clubs in the morning

Please could you all ensure that you hand the children over to the member of staff responsible for the morning club, such as cheerleading and dance? This would be most helpful. Many thanks indeed in anticipation.

Cancer Research

Tom M in 6P raised £230.37 for Cancer Research last week following a cake sale, art competition, poetry competition and a quiz, all based on his pet snake. Thank you to Years 5 & 6 for supporting Tom to raise this wonderful amount. Thank you also to Mrs A Brown for helping Tom with the organisation. Well done.

Forthcoming Events
