2D and 6H Class Assemblies

We were treated to two fabulous assemblies last Friday. 2D used Pancake Day as their theme and re-told the story using songs. It was Mrs Davies' first assembly as class teacher and the children performed brilliantly making it a very special day indeed for her. Meanwhile, 6H followed in the afternoon, dressed as evacuees, and performed a mini-play which was particularly well acted and spoken. Their performance of 'Skyscraper' was almost a rival to the X factor winner Sam Bailey! Very well done indeed to the children and the staff, and thank you parents for providing suitable attire!

Blue Peter Badges

These badges are highly prized and difficult to acquire. However, three of our boys have achieved the next stage in terms of badge collection. Very well done indeed to Jonathan and Dominic being who were awarded their Silver Blue Peter Badge for superb poetry and to Sam T for receiving the Purple Blue Peter badge for a recent written review of a Blue Peter episode. Stunning boys! Well done!

School Book Fair

Scholastic Book Fair will be in school from next Friday 14th March until

Thursday 20th March (not including Tuesday). It will be held after school in the Atrium. We will be accepting the World Book Day tokens towards payment of a book but will not stock any £1 World Book Day books.

Hedgehog Crazy

Members of the nature club have once more been very active under the guidance of Mrs Clark. A Year 5 group raised £110 for Hedgehog Rescue and presented this to Sonia and Georgia from the Coventry Hedgehog Rescue team last week. They were able to learn more first-hand about how to spot an injured hedgehog and what to do next. They even learned about hedgehog habitats and what they eat as a daily diet. Also, the Warwickshire Wildlife Trust came into the school to provide a day of hedgehog activities for the children. Thank you Mrs Clark for continuing to provide fantastic opportunities for children to learn more about the world around us and our place within it and well done children for continuing to raise funds for all living things!

Cross Country

Our cross country team, comprising children from Years 5 and 6, attended the annual Solihull Schools Cross Country Event wearing the athletics vests sponsored by **Sainsbury's** for the first time. Over 200

boys and girls took part in **EACH** race! Though the team results will not be out until next week, Will Smith finished 7th overall and Caitlin Brown finished in the top 20 of the girls' race, which for a year 5 girl was absolutely excellent! Very well done to all 26 pupils who raced, and to Mr Green for the organisation of the team. We will share the overall team results as soon as we have them.

Forthcoming Events

Dress in Sports' Gear: Next Friday, 21st March, the children can come to school in sports gear in support of Sports Relief! A small donation per child is welcome from you and will be given to this very worthwhile charity.

School Disco: The school disco this term will take place on Friday 4th April, only 3 weeks tonight!

Dads and Childrens' Scalextric and Dads' Scalextric: A brand new venture for us here! A Scalextric session for children. The flyer went out earlier this week with a basic error of a clash of dates with the school disco! The new date for this is **Friday 2nd May**, the first Friday back after the Easter Holiday!

PTA Chairman's Quiz, Friday 9th May: This follows a different format to the Headteacher's Quiz as you bring your own food as well as your own refreshment. The questions might even be easier! Start to gather your team together and look out for further information.

OFSTED Inspection

You may have seen the e-mail communication sent yesterday. Needless to say I am extremely pleased to share with you the news of the **Outstanding** outcome from our recent Ofsted inspection!

Have a great weekend!
