## This Year...

- We are delighted to announce that over 98% of our students secured a university place.
- Four students will be studying at prestigious American colleges: Princeton, Chicago, Brandeis and Northeastern State University. 51% of grades achieved by Immanuel College students were A\*-A, as opposed to a national figure of 24%. A quarter of the whole cohort achieved exclusively A\*-A in their A Levels.
- Alex Root and Jeremy Schiff will be studying Natural Sciences at the University of Cambridge.
- Toby Boyne, in Year 12, has achieved a 1 in the very rigorous Maths STEP paper which is required by the University of Cambridge and other institutions. This exam is taken by the most advanced mathematicians in the country and Toby was among the 19% who achieved a score of 1.
- Gemma Black will read Medicine at the University of Birmingham.
- 78% of students taking an EPQ, which is counted as half an A Level by universities and is highly coveted, achieved A\* or A grades.
- Five students will attend Yeshiva or Seminary.
