World Challenge Expedition: July 2020 Morocco

Dear Parents,

The school will be participating in an eight-day expedition to Morocco during the summer of 2020.

The aim of the expedition is to climb Mount Toubkal in the High Atlas Mountains, the highest mountain in North Africa; the cost will be £1690, and we will be departing around Thursday 9th July 2020 although the exact date will be confirmed at a later date.

The expedition is open to any pupils who are currently in Year 8 or 9 and there is no limit on places, so all those who want to join the expedition will be able to do so. The pupils will need to be reasonably fit to comfortably complete the trek but by no means need to be super fit!

We appreciate that the cost of the expedition is high, and the pupils are encouraged to raise the majority themselves through, for example, sponsored events and saving money received at birthdays/Christmas etc.

During today's assembly, the pupils had a presentation by World Challenge and we are now inviting parents to a presentation on **Tuesday 29th January at 6.30pm** in the **Roger Kay Hall** should you feel that this expedition may be of interest to your son/daughter.

As a school we are very excited about the opportunity this will give pupils to do something that will make them stand out from the crowd. The adventure experience will provide them with a wealth of new skills which they will find invaluable in school, college, university and in the world of work.

I hope you are able to join us and help to get our expedition off the ground. I am sure you will find it interesting and also see why the school values the outcomes of this programme so highly. If you would like to attend please complete the reply slip below.

Yours faithfully,

D P Cassidy
Headmaster
